### PREMIUM VERTICAL ROLLAWAY BED A1522X00

The vertical rollaway bed is a single bed designed to be simple, strong and robust. This model has been updated, it now has six castors which means it can be tilted in three directions, enabling it to get under any doorway and still be rolled easily along the ground. It now has two 50mm velcro straps to rigidly secure the mattress. Like all our products the Premium Vertical Rollaway bed comes with our standard five year guarantee.

#### Features

- A tough powder coated frame.
- A poly-deck trampoline base.
- Constructed from heavy duty 40 mm (1.5") steel tube.
- 6 x Quality ball bearing castors with quiet running polyurethane tyres.
- Mattress not included
- Will fit any 1880(l) x 910mm x 250mm thick mattress

#### Dimensions

- Length – 2000 mm
- Width – 1050 mm
- Height – 530 mm

Ph: 1800 425 903
